Hi Aaron

I somehow missed this email yesterday - absolutely will take this one into consideration (and I gave my RDG colleagues a heads hi last night).

I'll sort out a draft this weekend and try to publish something with Kim on Monday. I'll probably ask MinO today on our noon Sitrep call what specifics they'd like to also see.

Thx

Hi Duwayne,

Further to the DM meeting that just ended. The SIAB team prepared the attached summary of the Flash Briefs today.

Sharing given your leadership in this area. It may serve as a product / model that you may wish to implement.

We'll hold off producing any further pending the approach you work out.

Thanks for your support on this.

Hi Aaron/Kevin:

Peter has reviewed and given us the green light to pass on to you for review and approval. If approved, this is what SIAB will send back to the GOC. We understand you would be forwarding this to Mr. Keenan.

As a first iteration, we would welcome any feedback on adjustments to content or format going forward.

Adam, Sylvia – thanks very much for the quick effort on this 😊

Please note, info cut-off is/was 1600 this afternoon.
